

hello!

i'm a listener/supporter of the KLOVE radio station in avondale, arizona. my husband is in the Air Force and have been stationed overseas from 1999-2003. one thing we considered a "luxury" when we came back to the US was Christian radio. it is wonderful! it is uplifting and i'd hate to see it be taken away. please don't do this to so many listeners, since we are the ones who fund it anyway!! there's enough trash on other stations, with plenty of other options. i cannot imagine how KLOVE could be in your way.

a lot of our friends here in phoenix depend on it for Godly wisdom and encouragement, as well as upcoming events such as concerts...which support restaurants and other venues in the local area. there are stories after stories of people who come across KLOVE and find hope when they had none. if you haven't listened to it yourself, try it! you'll see why it's so important to us supporters/listeners! thank you for your time!
